Dementia

What we already do.

- ❖ Admiral Nurse

- ❖ Dementia training

 - 3 levels (including Dementia Friends)

What we'd like to do.

- ❖ Extend the Admiral nurse service to reach more people and at an earlier stage
- ❖ ACP Clinic Pilot
- ❖ Create a Dementia friendly environment
- ❖ Namaste care therapy programme- 5 senses
- ❖ Extended simulation training for staff
- ❖ Connect programme- day group specifically for carers and people with Dementia

Your ideas.

Things to consider.

- ❖ What is the role of the Hospice in Dementia care?
- ❖ How could we achieve our goals with limited funding?
- ❖ Who could we partner with to do this?
- ❖ What should we prioritise?
