**East of England Ambulance Co
Production outreach event**

"Ambulance Service not quite your cup
of tea? – Why not join us in these
workshops to make it better?"

#WeAreEEAST

Join this season of public (virtual) workshops on Teams and Zoom, in April and May 2021, to lead on what YOU see as the key improvements we should make to involvement with EEAST!

Get your voice heard - these sessions will be interactive, with plenty of time to share how you want to be able to get involved – on your terms – with East of England Ambulance Service Trust.

Upcoming sessions, including morning/afternoon/evenings, weekdays and at the weekend:
