

The future of Community Pharmacy: Have your say

You are invited to share your views and ideas for how your local pharmacy can help with your health needs in the future.

Your feedback will tell us what's important, what can be changed or improved to make it easier for you to get the healthcare help you need.

Complete the survey, open

**16 February —
31 March 2022**

Scan the QR code or use the link below to take part online
